Prepare both a summary paragraph and a general description of the resource and its various elements as it exists today.

This two-story framed and weatherboarded house faces north-east, overlooking Old Town Road. It has the form that is often called a "foursquare". It is square in plan, with a hipped roof and four hipped dormers, one in each face of the roof. All windows have one-over-one sash. The two-bay facade indicates a side-passage plan. A one-story, hipped-roof porch is supported by Doric columns. It shelters the east and south sides of the house.
